

# Priya Bhadoriya

Civil Engineering | AutoCAD • Revit • BIM • BOQ & Estimation

## Professional Summary

Third-year Civil Engineering student focused on practical site and design execution. Skilled in AutoCAD drafting, Revit modeling, BIM basics, quantity takeoff, and Excel-based estimation. Strong in documentation and coordination. Ready to support engineering teams from day one in site or design roles.

## Technical Skills

AutoCAD	Revit	BIM Basics
Quantity Takeoff	BOQ Preparation	Excel (Estimation & Reports)
Site Documentation	Project Coordination	

## Projects

### Residential Building Drafting

Created AutoCAD floor plans, sections, and elevations. Prepared BOQ and quantity takeoff using Excel.

### Revit BIM Model

Developed 3D building model with schedules and drawing extraction. Applied BIM workflow and coordination.

### NICMAR Academic Project

Handled planning, estimation, documentation, and team coordination.

## Professional Experience

### Client Operations Associate | Digitide (formerly Conneqt)

- Managed client communication and service requests
- Maintained Excel trackers and reports
- Coordinated with internal teams
- Handled documentation and process management

## Education

**Bachelor of Engineering (Civil Engineering)**  
Ajeenka DY Patil University, Pune  
2023 – 2027 (Expected)

Phone: 9022319567  
Email: bhadouriapria.06@gmail.com  
LinkedIn Profile  
Location: Pune, Maharashtra

## Availability

Open to paid internships and junior civil engineering roles | Available in Pune or Remote
